Co-funded by the
Erasmus+ Programme
of the European Union

What will we develop?

- A joint qualification curriculum for the improvement of managerial skills of young eco-farmer entrepreneurs via work-based training
- Extension of the state educational standard (qualification profile)
- An assessment standard (mechanism) for validation and recognition of the acquired knowledge, skills and competences

Target groups

- VET learners (aged 16-29) – eco-farmers
- Existing eco-farmers
- Young entrepreneurs in the eco-farming sector
- VET trainers & educators
- VET centers who are providing further training
- SMEs active in eco-farming fields
- Policy makers in the field of policy reform in VET
